The "Hair Regrowth Japan Championship" has been held annually since 2001 by Hair Clinic Reve21, with the concept of "wanting people who are suffering from hair loss to experience the joy of hair regrowth." This year, the 24th championship received numerous entries nationwide, with 58 candidates selected through document screening participating in the final competition. 【Champion Mr. Oki's Comment】

As an opera singer, stage preparations usually involved preparing wigs for me. However, since my hair has grown back, wigs are no longer prepared for me! Now I want to challenge various roles using my own hair.
